Figure 1 is a schematic diagram of a circular device, likely a pump or motor, showing internal components and flow paths. The diagram is labeled with various numbers and letters. Key components include a central circular element (1), two large curved sections (2, 3), and two smaller circular elements (4a, 4b). Flow paths are indicated by arrows, showing a clockwise direction. The diagram is divided into three main sections: 3'a, 3'b, and 3'c. Other labels include 16, 7a, 7, 5, 6, 2a, 4, 30, and 5. A double-headed arrow at the bottom indicates a dimension C.
